2006-2007 President's Report

Dear All

A successful end to the season

We have enjoyed a successful season with two of our senior teams working hard to make the Finals

K.P.C.C First Eleven

K.P.C.C Second Eleven

and two of our junior teams winning their Grand Finals.

Junior Teams

Under 15

Under 13

Re-signing our coach

Florijan Tabain has been confirmed as our coach again for the 2007-08 seasons which guarantees us continuity moving forward and will set all of our teams up for success.

Moving Forward

The current committee and Coach Tabain have a singular focus for building the club through time spent training and mentoring our existing players and the recruitment of new players.

Junior Redevelopment and Recruitment

I believe the committee of the future will need to focus on our junior development and recruitment, due to our struggle with recruiting and maintaining 4 junior teams.

This has shown in the last few years, with the club not been able to recruit enough players for some age groups and having to share with other clubs.

To ensure our club maintains it level of players commencing there cricket with Keon Park and finishing there senior cricket with Keon Park as well, a stronger commitment from the committee & senior players is needed to assist in this area.

Our strong community ethos will serve us well as we all work together to ensure that the quality practices around our management and administration are clear and transparent at all times.

Sincere thanks

I would like to take this public moment to sincerely thank all of the players, coaches, committee members and supporters for your dedication and commitment that contributed to this success whilst laying a strong foundation for next season.

I am looking forward to an even more successful and enjoyable 2007-8.

Yours Sincerely

Vicki Swallow

KEON PARK CRICKET CLUB

COACHES REPORT

Firstly, I would like to thank the club for appointing me as captain / coach for the year.

I would also like to thank the captains of our senior sides who did a great job, I look forward to working with you guys if you decide to take up the challenge again.

As a club, I was very proud of how all our sides went considering the amount of young players we used throughout the grades. The start of our pre-season was a little disappointing with a lack of players not prepared to do the work and play to the best of their ability but hopefully that will change this time around.

As a first time captain I was always confident with the players I had under me, I never lost any confidence with the way our season would go. To have one or two wins coming into the Christmas break, I knew we were not too far away from turning our narrow losses into wins. In saying that, I was very impressed with the young players. After the break we started on a good note by winning our first game, my goal was to see if we could win four of the next five games. To our credit we won all our games and made the finals, which before Christmas seemed impossible. There were some great performances from guys such as Adam Howard, Brett Millane, Michael White and Adam Reimers who all performed consistently after Christmas.

In ending, to make the finals and to lose to a side that was the only team to beat us twice during the home and away season, goes to show the potential we have as a cricket team and as a club which is only going to hold us in good stead for the future.

To all the players, for us to improve on last season's results we need to work harder at our game which means coming to pre-season training and training in general.

I look forward to seeing you all again soon.

Kind regards,

Florian Tabain
